PRAYER TO BREAK ALL CURSES

In His name and by the power of His Cross and Blood, I ask Jesus to bind any evil spirits, forces and powers of the earth, air, fire, or water, of the netherworld and the satanic forces of nature. By the power of the Holy Spirit and by His authority, I ask Jesus Christ to break any curses, hexes, or spells and send them back to where they came from, if it be His Holy Will. I beseech Thee Lord Jesus to protect us by pouring Thy Precious Blood on us (my family, etc.), which Thou hast shed for us and I ask Thee to command that any departing spirits leave quietly, without disturbance, and go straight to Thy Cross to dispose of as Thou sees fit. I ask Thee to bind any demonic interaction, interplay or communications. I place N. (person, place or thing) under the protection of the Blood of Jesus Christ which He shed for us. Amen.

Panalangin sa pagbabalik trabaho matapos ang mga bakasyon

Panginoon, maraming salamat po sa mga nagdaang araw ng bakasyon at pagdiriwang kasama ang mga mahal sa buhay. Sa aming pagbabalik sa mga trabaho't gawain, hinihiling po namin na Iyong ipagkaloob sa bawat isa ang sigla at saya sa paghahanap-buhay. Pagpalain Niyo po ang mga gawa ng aming mga kamay para sa higit na ikaluluwalhati Mo. Amen.

Para sa Sampaguita girl mag aral ka mabuti at tapusin ang pag aaral. Wag ka na magtinda ng sampaguita sa mga bawal na lugar para walang problema. Mag simula ka nalang mag business sa Labas ng bahay nyo tulad ng ihaw ihaw o magtinda ng Rosmar Skincare. 😄😛😍
At kay kuya Security Guard sana ikaw naman ang NEXT na mahanap ko para mabigyan din kita ng tulong lalo pa at sinibak ka na sa iyong trabaho. Kung nais mo rin mag trabaho sakin hiring ako ng security Guard. Alam kong ginawa mo lang best mo para gawin ang trabaho mo un nga lang sumobra lang in a way pero tao ka lang din nagkakamali at pwedeng magbago. Naniniwala ako na kaya mo lang nagawa un dahil ginagampanan mo lang trabaho mo💔 #PINAKAMALAKAS

Change has come to America–Obama

PHILIPPINE DAILY INQUIRER

BALANCED NEWS; FEARLESS VIEWS

Black in White House

WASHINGTON—DEMOCRAT BARACK OBAMA ON TUESDAY swept away the last racial barrier in American politics with ease to become the first US black president in a historic victory over Republican John McCain.

Less than an hour after sealing his hold on the White House, Obama and his wife, Michelle, stepped onto the stage holding the hands of their two daughters at a massive victory rally in Chicago's Grant Park.

"If there is anyone out there who still doubts that America is a place where all things are possible; who still wonders if the dream of our founders is alive in our time; who still questions the power of our democracy, tonight is your answer," the next president said.

After almost two years of campaigning on a theme of hope and change, Obama told the crowd: "It's been a long time coming, but tonight, because of what we did on this day, in this election, at this defining moment, change has come to America."

Obama spoke warmly of McCain, the 72-year-old Arizona senator and former Vietnam War prisoner who was his rival in the longest and most costly presidential campaign in American history.

After McCain called Obama to concede victory, the Republican candidate spoke graciously of his rival at an outdoor rally in Arizona, commending the president-elect.

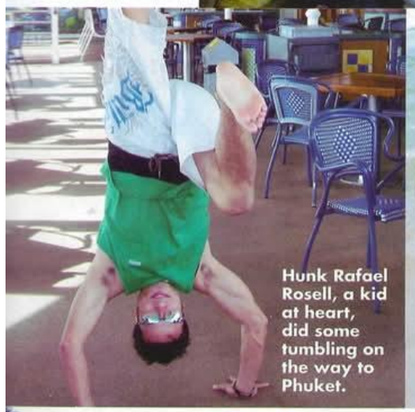
On their way back to Singapore, the Hollywood Dreamers couldn't seem to sleep. So the guys invaded the girls' cabin and rocked the boat with their off-cam antics. Pinky's camera captured some of the wacky goings-on.

In Hollywood, Raymund and the once-underrated Julia will be doing *Hollywood Dream*'s final exercise—walk-on roles in the CBS daytime drama *As the World Turns*.

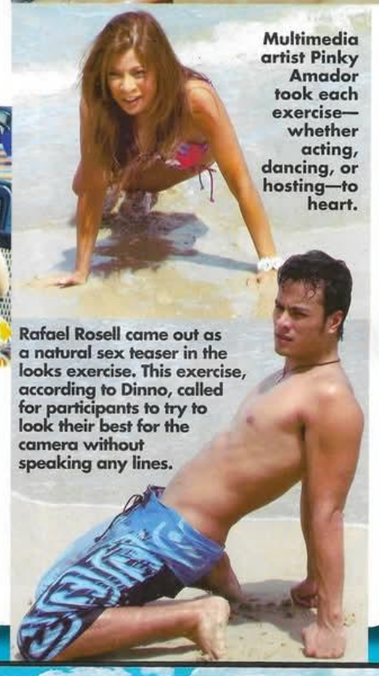


Hunk Rafael Rosell, a kid at heart, did some tumbling on the way to Phuket.

Former teen star Roxanne Barcelo bares some flesh for the first time! This historic moment took place at Patong Beach, Phuket. Calling *FHM!*

Former GMA-7 star Roxanne had breakfast in the *Virgo*'s Mediterranean restaurant, one of the six eating places on the cruise ship.

On the *Virgo* deck, a dance choreographer put the Dreamers through their paces. *"Hindi pa man umaalis ang barko, nagtatrabaho na sila,"* says HD publicist Dinno Erece. *"Naka-dock pa kami niyan sa* Singapore."



Multimedia artist Pinky Amador took each exercise—whether acting, dancing, or hosting—to heart.

Rafael Rosell came out as a natural sex teaser in the looks exercise. This exercise, according to Dinno, called for participants to try to look their best for the camera without speaking any lines.

TELEVISION AND PRODUCTION EXPONENTS INCORPORATED O TAPE, INC. KASADO NA SA PAGBABALIK TELEBISYON, ADVERTISERS BUONG-BUO PA RIN ANG SUPORTA!

GOOOOOOOD NEWS! Kasado na ang pagbabalik telebisyon ng Television And Productions Exponents Incorporated ngayong taon at puspusan na rin ang paghahanda para dito.

Mahigit apat na dekada na ang kumpanya sa pagpoprodyus ng highest rated, award-winning, at talaga namang mga inabangan, minahal, at kinagiliwang mga programa ng bawat Pilipino sa loob at labas ng bansa.

Nagprodyus din ito ng iba't-ibang putahe sa telebisyon gaya ng variety, drama series, sports, talk-show, cooking show, sitcoms, at nag co-produce din ng mga groundbreaking na pelikula. Ilan sa mga tumatak na programa ay Eat Bulaga! bilang orihinal na producer, Agila, Heredero, Kirara, Valiente, Del Monte Kitchenomics, PBA noong ito ay nasa poder pa ng Production Specialists, Inc. at marami pang iba.

Naging tahanan din nila ang ilang TV Networks gaya ng PTV, RPN, IBC, ABS-CBN, GMA, at QTV11. Naging top-raters lahat ng mga programa ng TAPE, Inc. saan man ito mapadpad dahil kabisado na ng produksyon ang kiliti ng manonood na Pilipino. Hindi matatawaran

WHERE'S THE FUND?

Iloilo City Gov't seeks solutions to unfinished infrastructure projects

BY MA. THERESA LADIAO

ILOILO City – The city government is seeking concrete solutions to several long-overdue and unfinished infrastructure projects undertaken by the Department of Public Works and Highways (DPWH) - Iloilo City District Engineering Office (ICDEO).

Among others, it wants to know if there are funds for the completion of the projects, according to Joy Fantilaga, spokesperson of Mayor Jerry Treñas.

DPWH-ICDEO OIC District Engineer Roy Pacanan, however, was no-show on the scheduled clarificatory meeting called by Treñas on Friday.

The mayor only learned through media reports that ICDEO won't attend the meeting and would just "prepare a written response", as no official communication was sent to him.

"*Ang pinaka*-intention *man lang naton diri* is to know if *may* funding *bala nga* available to complete these projects and if *may ara, diin halin ang pundo. Gusto klaruhon sang alkalde nga gusto naton sang konkreto nga solusyon.* This is not political posturing like *sa ginahambal*

WHERE'S THE FUND?/2

This is one of several unfinished multi-purpose buildings in Iloilo City, being constructed by the Department of Public Works and Highways (DPWH) - Iloilo City District Engineering Office, sparking frustration and criticism from barangay officials and residents.

INTERNATIONAL STATE COLLEGE OF THE PHILIPPINES

I, the magnificent General Aladeen, sympathize with my neighbor, the glorious Sub-Saharan Mindanao, as it suffers under the weight of the petty geopolitics of the so-called South European Luzon. This unfortunate chaos led to the unjust arrest of my dear comrade, Duterte—a man of strength and vision!

The so-called ICC, in its infinite audacity, claims to have recorded a mere 43 deaths between 2011 and 2019, including those from his legendary DDS era.

Of these, only 24 occurred during his presidential reign under the mighty PNP! And yet, the media—those harbingers of fake news—dare to shout about 30,000 deaths!

Lies! Fabrications! The media is biased, always twisting the truth to suit their weak narratives. But fear not!

The truth, like Aladeen, is eternal!

Senator Imee R. Marcos' statement on the arrest of former President Rodrigo Roa Duterte

March 17, 2025

As chairperson of the Senate Committee on Foreign Relations, I am calling for an urgent investigation into the arrest of former President Rodrigo Roa Duterte, an issue that has deeply divided the nation.

It is imperative to establish whether due process was followed and to ensure that his legal rights were not upheld but protected, especially given the involvement of the International Criminal Police Organization (Interpol) and the International Criminal Court (ICC).

To shed light on this matter, I am inviting key officials and agencies, including officials from the PNP, OTS-DOTr, DOJ, DFA, NSC, CAAP, and other resource persons and witnesses.

The Senate must address these critical concerns to uphold the country's jurisdiction and to clarify policies governing our law enforcement agencies and their engagement with international tribunals.

Our sovereignty and legal processes must remain paramount.

Does it ever drive you crazy...

Tio Moreno
Aug 27, 2022 ·

To begin, I am not a loyalist, but I have consistently supported BBM and VPSD even before the campaign period began. Some DDS bloggers dislike BBM because they prefer the Bong Go-Sara lineup, but I chose to back BBM-Sara.

In fact, I collaborated with BBM's social media team during the 2022 elections. In 2016, I voted for Duterte-Marcos, not Cayetano nor Robredo. Since then, I've been reading the cases filed against the Marcoses, as well as Bobi Tiglao's book and research studies from UP Economics scholars.

This strengthened my support for the Marcoses, and it also prompted me to write about it, which became the foundation of my political stance.

Just how fast the night changes?

Bongbong Marcos IS A PATHOLOGICAL LIAR. 😘

What he did to former president **Rody Duterte** and his move to allow the **International Criminal Court - ICC** to judge a Filipino is not only a big insult to the **Supreme Court PH**, but a betrayal of public trust.

He cannot just surrender our sovereignty to ICC for this constitutes culpable violation of the Constitution— an impeachable offense.

Filipinos, we need to replace our congressmen and senators. The only for us to impeach BBM and hold him accountable for violating the Constitution is to refrain from voting MARCOS-ROMUALDEZ allies.

To be fair, **Atty. Leni Robredo** was right when she said: Number 1, Sinunangaling.

ARCHDIOCESE OF DAVAO

A Pastoral Message from the Archbishop of Davao

To All the Christian Faithful of the Archdiocese of Davao

FAIRNESS AND DIGNITY: THE CALL OF THE TIMES

Our nation stands at a crossroads, deeply divided over the arrest of former President Rodrigo R. Duterte and his subsequent transfer to The Hague to await trial. This event has strained relationships and now challenges our unity as a people.

In this time of uncertainty and discord, the Catholic Church remains steadfast as a beacon of faith, hope, and charity. United as one people, we recognize the pain and frustration felt across the land, including the suffering of those who consider themselves victims of injustice in the past. While we affirm the importance of accountability, we also extend our pastoral support and prayers to the former President and his family; he being a son of this local Church, so beloved by a vast number of our faithful.

Justice, however, must be pursued with fairness and integrity. It must remain free from partisan political motivations or personal vendettas. We urge our government to uphold due process, adhere to the rule of law, and respect the fundamental principle of the presumption of innocence. Only through such commitment to justice can true peace be achieved.

As the prophet Micah exhorts us: "What does the Lord require of you but to do justice, and to love mercy, and to walk humbly with your God?" (Micah 6:8)

The mission of the Church of preaching the Gospel urges everyone to uphold truth, safeguard human dignity, and promote the common good. We therefore call upon you, our faithful here in the archdiocese, to reject hatred and division, choosing instead the path of dialogue over discord, and reconciliation over conflict.

At this critical moment in our nation's history, let us turn to prayer, seeking God's mercy and guidance of the Holy Spirit. May the Blessed Virgin Mary, Queen of Peace, intercede for us and lead our country toward genuine justice and lasting peace.

Sincerely yours in Christ,

+ ROMULO G. VALLES, D.D.

When Malacañang was under siege during the People Power Revolution in 1986, BongBong suggested shooting and killing the protesters who entered the palace.
Of course his bangag idea was turned down and the Marcos family ended up being flown out to Hawaii otherwise they would have been killed by the mob.
This is the same BongBong who is now back in Malacañang. With vengeance.
BBM has no love for the Filipino people.
He does not deserve to stay in power any longer.

My friend greeted me: “Merry christmas”,
and I respond: “Happy holiday”.

That's right! We can say “Happy holidays” without offending their pagan traditions.

EXODUS 20:6
And God spoke all these words:
2 “I am the Lord your God, who brought you out of Egypt, out of the land of slavery.
3 “You shall have no other gods before[a] me.
4 “You shall not make for yourself an image in the form of anything in heaven above or on the earth beneath or in the waters below. 5 You shall not bow down to them or worship them; for I, the Lord your God, am a jealous God, punishing the children for the sin of the parents to the third and fourth generation of those who hate me, 6 but showing love to a thousand generations of those who love me and keep my commandments.

Bahay ni Duterte sa Davao

hyunbinlookalike **OP** · 12h

Duterte's main house isn't even accessible to the public; the smaller, more humble one is just for PR purposes. That's usually where his team shoots those "Napaka simple naman ni tatay Digong" pics where he's in a shirt and shorts eating some tuyo or something lol. His actual house is much larger and more opulent; it's also on private land with security.

Other Redditors who've been (especially healthcare personnel that they've brought on over there) can corroborate what I'm saying.

They also have plenty of businesses and franchises in Davao City.

VP Sara Duterte denies calling for Marcos' resignation

MARCH 23, 2025

Ang pagiging pangulo, dapat nasa tamang pag-iisip ka dahil nasa mga polisiya mo at mga desisyon mo ang kinabukasan ng kabataan at ng bansa.

Bakit ba kailangan magresign? Dahil hindi mo pinapakita sa taumbayan na maayos kang mag-isip at kaya mo ang mamuno.

MARCH 25, 2025

Wala akong sinasabi ever na dapat mag-resign si [Marcos].

Ang sinabi ko lang kahapon, sabi ko, kung nananawagan kayo ng 'BBM resign,' bigyan niyo ng rason kung bakit 'yan ang panawagan ninyo sa kanila.
And I gave them examples.

Dear, Inday Sara Duterte,

The ICC prosecutors will only need to prove the 43 sampled cases that the extrajudicial killings were "widespread or systematic". The rest is extrapolation. Statistics.

The 30,000 deaths were estimates from the Human Rights Watch and observers. And, correction, the estimate was "12,000 to 30,000". These experts use statistics in order to come up with those numbers just as how death tolls are estimated during natural disasters.

Our government's official record is 6,252 deaths. They all have names. If that number is not alarming to you, Sara Duterte, please calibrate your moral compass.

1, 100, 1,000, 6,000, 30,000... It does not matter for the ICC. The prosecutors will only need to prove that Duterte allowed the EJK to exist. One death is far too many.

Lastly, these public pronouncements of yours do not help your father's case.

Sorry, pero ang bobo mo for a lawyer, Sara Duterte.

MGA DUTERTE SUPORTERS NA NAHULI SA QATAS, DAPAT TULUNGAN

Nanawagan si Representative Marissa Magsino na bigyan ng agarang tulong ang mga overseas Filipino workers na hinuli sa Qatar dahil sa hindi awtorisadong pagtitipon. Aniya, bilang mga Pilipino, sila ay dapat mabigyan ng tamang consular assistance at matulungan masiguro ang due process na nararapat para sa kanila alinsunod sa batas ng Qatar.

Sinabi rin ni Rep. Magsino sa mga OFWs na naiintindihan nila ang kanilang mga sentimyento ngunit mahalaga pa rin na sundin ang lokal na batas at regulasyon sa mga bansa kung nasaan man sila.

Anong masasabi niyo mga ka-trending? Dapat nga ba silang tulungan?
